BAB I : PENDAHULUAN ........................................................................................................ 1

1.1 Latar Belakang Masalah ................................................................................................. 1

1.2 Rumusan Masalah ........................................................................................................... 5

1.3 Identifikasi Masalah ......................................................................................................... 5

1.4 Tujuan Penelitian .......................................................................................................... 5

1.5 Signifikasi Penelitian .................................................................................................... 6

1.5.1 Signifikasi Akademis ................................................................................................ 6

1.5.2 Signifikasi Praktis .................................................................................................... 6

BAB II : TINJAUAN PUSTAKA .................................................................................................................. 7

2.1 Psikologi Komunikasi ................................................................................................... 7

  2.1.1 Ruang Lingkup Psikologi Komunikasi ......................................................................... 7

  2.1.2 Ciri Pendekatan Psikologi Komunikasi ..................................................................... 9

  2.1.3 Penggunaan Psikologi Komunikasi .......................................................................... 10
2.2 Kredibilitas........................................................................................................11
  2.1.1 Pengertian Kredibilitas .............................................................................11
  2.1.2 Bentuk-bentuk Kredibilitas ......................................................................12
      2.1.3 Komponen-komponen Kredibilitas .........................................................13

  2.4 Pengertian Persepsi .....................................................................................23
  2.5 Pengertian Publik .........................................................................................28
  2.6 Program music Dahsyat .............................................................................29
  2.7 Teori Citra dan Model Grid Analisis Citra ....................................................32
  2.8 Hipotesis ......................................................................................................34
  2.9 Penelitian Terdahulu ...................................................................................34
  2.10 Variabel Operasional ..................................................................................35
  2.11 Kerangka Pemikiran ..................................................................................40

BAB III : METODOLOGI PENELITIAN .........................................................41

  3.1 Jenis Penelitian ............................................................................................41
  3.2 Sifat Penelitian ............................................................................................41
  3.3 Teknik Penelitian ........................................................................................42
  3.4 Teknik Analisis Data ...................................................................................43
  3.5 Populasi dan Sampel Penelitian .................................................................45
      3.5.1 Populasi Penelitian ..............................................................................45
  3.5.2 Sampel Penelitian ...................................................................................45
  3.6 Teknik Sampling ..........................................................................................46
  3.7 Lokasi dan Jadwal Penelitian ......................................................................47
      3.7.1 Lokasi Penelitian ................................................................................47
      3.7.2 Jadwal Penelitian ................................................................................47

BAB IV : ANALISIS PENELITIAN .................................................................48

  4.1 Gambaran Umum Obyek Penelitian ..........................................................48
4.1.1 Program Musik Dahsyat ................................................................. 48
4.1.2 Profil Raffi Ahmad ................................................................. 49
4.2 Hasil Penelitian ........................................................................... 50
4.2.1 Penyebaran Kuesioner .............................................................. 50
4.2.2 Identitas Responden ................................................................. 51
4.3 Tabulasi Jawaban Kuesioner ......................................................... 53
4.5.1 Kredibilitas Raffy Ahmad ......................................................... 54
4.5.2 Konten Program Musik Dahsyat ............................................... 59
4.5.3 Citra Program Musik Dahsyat ..................................................... 63
4.6 Pembahasan ............................................................................... 75
4.6.1 Kredibilitas Raffy Ahmad ......................................................... 77
4.6.2 Citra Program Musik Dahsyat ..................................................... 78

BAB V : KESIMPULAN DAN SARAN ............................................... 81
5.1 Kesimpulan ............................................................................... 81
5.2 Saran ....................................................................................... 83
